

The Board are responsible for the overall strategy, governance and performance of EVE Investments Limited (“the Company”). The Board has adopted a framework which it considers to be suitable given the size, history and strategy of the Company.

In March 2014, the Australian Securities Exchange (“ASX”) Corporate Governance Council released the third edition of its Corporate Governance Principles and Recommendations (“Recommendations”). To the extent they are applicable, and given its circumstances, the Company has adopted the recommendations of the third edition. Where the Company’s governance practices follow a recommendation, the Board has made appropriate statements reporting on the adoption of the recommendation. Where the Company’s governance practices depart from a recommendation, the Board has offered a disclosure and reason for the departure from the recommendation, in compliance with the “if not, why not” regime.

This statement summarises the Company’s compliance with the new Recommendations.

PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

Recommendation 1.1 Role of Board and Management

The Board considers that the essential responsibility of directors is to oversee the Company’s activities for the benefit of its shareholders, employees and other stakeholders and to protect and enhance shareholder value. Responsibility for management of the Company’s business is delegated to the Managing Director, who is accountable to the Board.

Further, the Board takes specific responsibility for:

- Contributing to the development of and approving corporate strategy;
- Appointing, assessing the performance of and, if necessary, removing the Managing Director;
- Reviewing and approving business plans, the annual budget and financial plans including available resources and major capital expenditure initiatives;
- Overseeing and monitoring:
 - Organisational performance and the achievement of strategic goals and objectives
 - Compliance with the Company’s code of conduct
 - Progress of major capital expenditures and other corporate projects including acquisitions, mergers and divestments;
- Monitoring financial performance including approval of the annual, half yearly and quarterly reports and liaison with the auditor;
- Ensuring there are effective management processes in place, including reviewing and ratifying systems of risk identification and management, ensuring appropriate and adequate internal control processes, and that monitoring and reporting procedures for these systems are effective;
- Enhancing and protecting the Company’s reputation;
- Approving major capital expenditure, capital management, acquisitions and divestments;
- Reporting to shareholders;
- Appointment of directors; and

- Any other matter considered desirable and in the interest of the Company.

The Board is responsible for the overall Corporate Governance of the Company including the strategic direction, establishing goals for management and monitoring the achievement of these goals. In broad terms, the Board is accountable to the shareholders and must ensure that the Company is properly managed to protect and enhance shareholders' wealth and other interests. The Board Charter sets out the role and responsibilities of the Board within the governance structure of the Company and its related bodies corporate (as defined in the Corporations Act).

Senior executives are responsible for the ongoing management of the Company's operations and reporting to the Board. They are accountable for all functions that are necessary to the operations of the Company and not specifically reserved to the Board. Senior executives' performance is reviewed on a regular basis by the Board.

A copy of the Board Charter is available on the Company's website.

Recommendation 1.2 Director Checks

The Company has in place a policy that it will perform appropriate checks on all potential directors. This will potentially include undertaking background and other checks before appointing a person or putting them forward to shareholders as a candidate for election as a director. The Company also provides information on the length of time in office for those seeking re-election as well information about relevant qualifications, skills and experiences.

Recommendation 1.3 Written Agreement with each Director and Senior Executive

All non-executive directors are engaged by the Company under letters of appointment and senior executives are engaged under executive service agreements. These agreements detail the roles and responsibilities of the individual.

Details of the letters of appointment and service contracts for senior executives are provided in the Remuneration Report within the Annual Report.

Recommendation 1.4 Company Secretary

The appointment and removal of a Company Secretary is a matter reserved for decision by the Board.

The Company Secretary has a direct line of communication with all directors, and is responsible for supporting the proper functioning of the Board which includes providing advice on governance and procedural issues, the preparation of Board papers and minutes, attendance at Board meetings and maintaining policies and procedures.

Recommendation 1.5 Diversity Policy

The Company has not established a formal policy in relation to diversity. The board believes that given the size and nature of the Company's activities, and the existing diversity profile of the organisation, that an informal approach is appropriate at this time. Senior management roles and positions are filled by the best candidates available without discrimination. The Company aims to increase diversity in senior appointments as positions and appropriate candidates become available.

The Company is committed to a workplace environment that promotes diversity and recognises the key competitive benefits of recruiting, developing and retaining a talented, diverse and motivated workforce. The board recognises the benefits of diversity at board level, senior management level and within the organisation generally and recognises the organisational strengths, deeper problem solving ability and opportunity for innovation that diversity may bring.

The Company will review this position annually and, as activities expand, plans to establish a formal diversity policy and set measurable objectives for achieving diversity in relation to gender.

The proportion of women employees in the organisation as of 30 June 2020 is:

In whole organisation	53%
In senior executive positions	25%
On the Board	17%

Recommendation 1.6 Board Performance Assessment

Membership of the Board, its activities and composition, is subject to on-going review. Given the size of the Company and the management team, this process is managed informally by the directors. Improvement in Board processes and effectiveness is a continuing objective and the primary purpose of Board evaluation is to identify ways to improve performance.

The Board has not conducted a formal performance assessment of the Board, including its Committees and individual directors, during the year. The Company will look to conduct a formal evaluation in the future.

Recommendation 1.7 Performance Evaluation of Senior Executives

The performance of all directors is reviewed by the Chairman on an ongoing basis and any director whose performance is considered unsatisfactory is asked to retire. The Chairman's performance is reviewed by the other board members.

The Company has established guidelines to identify the measurable and qualitative indicators of the director's performance during the course of the year. Those guidelines include:

- Attendance at all board meetings. Missing more than three consecutive meetings without reasonable excuse will result in that director's position being reviewed; and
- Attendance at the Company's Shareholder Meetings. Non-attendance without reasonable excuse will result in that director's position being reviewed.

There has been no formal performance evaluation of senior executives during the year. The Company will look to conduct a formal evaluation in the future.

PRINCIPLE 2: STRUCTURE THE BOARD TO ADD VALUE

Recommendation 2.1 Nominations Committee

The Company does not currently have a separate Nomination Committee. The duties and responsibilities typically delegated to such a committee are considered to be the responsibility of the full Board, given the size and nature of the Company's activities and as such, the Board does not believe that any marked efficiencies or enhancements would be achieved by the creation of a separate nomination committee.

Recommendation 2.2 Board Skills Matrix

The Company supports the appointment of directors who bring a wide range of business and professional skills and experience. While the Company does not have a formal skills matrix, it does consider directors attributes prior to any appointment. The qualifications, skills and experience for each director are included in the Directors' Report in the Annual Report. The Company will review the requirement for a skills matrix as it grows to ensure that it is in the best position to add expertise and experience that is relevant to the Company.

Recommendation 2.3 Directors' Independence

An independent director is defined as a director that is free of any interest, position, association or relationship that might influence, or reasonably be perceived to influence, in a material respect his or her capacity to bring an independent judgment to bear on issues before the Board and to act in the best interests of the Company and its shareholders.

The date of appointment and independence of each director is as follows. A profile of each director and their professional skills and expertise is included in the Directors' Report of the Annual Report.

Name	Position	Date of Appointment	Independent
George Cameron-Dow	Non-Executive Chairman	31 March 2016	Yes
Gregory (Bill) Fry	Managing Director	19 August 2009	No
Alasdair Cooke	Non-Executive Director	8 January 2007	No
Carlos Jin	Non-Executive Director	10 December 2019	No
Joalin Chou	Non-Executive Director	21 January 2020	No

Recommendation 2.4 Majority of Directors Independent

The Company does not presently meet the requirements of Recommendation 2.4 as there is not a majority of independent directors. The Board believes this current structure is best suited to enable the Company to deliver shareholder value and manage the operations for a company of its size. The Company will continue to review its Board structure as it grows to ensure that it had the best structure in place to deliver value to its shareholders, key stakeholders and the communities in which it operates.

Recommendation 2.5 Chairman and Chief Executive Officer / Managing Director

The Company maintains a separation between the role of Chairman and the role of Chief Executive Officer. Day to day management is the responsibility of the Managing Director, Mr Gregory Fry and the role of Chairman is filled by Mr George Cameron-Dow.

Recommendation 2.6 Company Induction and Professional Development of Directors

The Board's induction program provides incoming directors with information that will enable them to carry out their duties in the best interests of the Company, as well as educating them in the Company's policies and procedures.

The Company encourages directors to develop and maintain the skills and knowledge needed to perform their role as Directors.

- Reviewing the performance of the external auditors on an annual basis and nomination of auditors is at the discretion of the Board.

Due to the size and structure of the Company, the Audit Committee doesn't fully comply with Recommendation 4.1 as the committee is chaired by the Chairman of the Company and a majority of members are not independent. The Company does meet the requirement for at least three members, all of whom are non-executives.

Recommendation 4.3 External Auditors

The Board requires that a representative of the external auditor attend the Company's AGM. The auditor is available to answer shareholder questions about the conduct of the audit, the preparation and content of the auditor's report and the accounting policies adopted by the Company.

PRINCIPLE 5: MAKE TIMELY AND BALANCED DISCLOSURE

Recommendation 7.4 Economic, Environmental, Social Sustainability Risks

The Company continually reviews economic, environmental and social sustainability risks in the areas in which it operates. Risk areas include the impact on the environment through exploration activities, sovereign risk, currency risk and commodity price

risk. During the period there were no risks which the Company considered material, however this is subject to change as circumstances dictate.

The Remuneration Committee is to make recommendations to the Board about the remuneration of executive and non-executive directors as well as senior management of the Company.

Due to the size and structure of the Company, the Audit Committee doesn't fully comply with Recommendation 8.1 as the majority of committee members are not independent, the Chairman of the committee is independent.
